

**H.S.A**  
**Philip C. Meuse**  
**Memorial Archery Range**

**Rules**

- Standard range safety rules and etiquette apply. Be considerate of other shooters.
- All persons **MUST** be behind the firing line or the safety fence when shooting.
- Targets must be returned to the clubhouse after use, no exceptions.
- **Please, Field Points Only!!** No broadheads. If you want to practice with broadheads, you must use your own target.
- Do not cut into the targets for ANY reason! Use two hands when removing arrows, they last longer with care.
- Keep the range clean. Pick up all trash. Do not leave any targets or other materials on the range.
- Post the Red Range Safety Flag on the 30 yard target prior searching for arrows beyond the targets. If you arrive at the range and suspect there is someone downrange, always check to see who might be there. **Safety First!**
- ***If the Red Flag is posted out front, DO NOT SHOOT. Confirm that someone may be in the woods searching for a lost arrow. Wait until they return to the firing line.***

***-There is a Red Range Safety Flag attached to the sign post at the entrance to the archery range. Before searching for a lost arrow, you **MUST** post this flag in the holder located on the left side of the 30-yard target stand. Roll up the flag and return it to the sign post when you return to the firing line.***
